ADMINISTRATIVE CONFINEMENT:

An inmate may be placed in administrative confinement if his or her continued presence in general population:

- Presents a substantial risk of physical harm to themselves and/or another inmate, person or property;
- Threatens the security or order of the Jail;
- Inhibits a pending disciplinary investigation.

Administrative confinement can be imposed by a correctional officer for these reasons but must be reviewed by a supervisor within 24 hours.

ATTORNEYS:

You will be allowed to call your attorney as soon as the booking process is completed. At no time will a correctional officer recommend an attorney to an inmate.

Your attorney may visit you daily between 8:00 a.m. - 11:00 a.m., 1:00 p.m. - 3:00 p.m. and 6:00 p.m. - 9:00 p.m. Your attorney may request a variance to the normal visiting hours if special circumstances prevail.

If you cannot afford an attorney of your own, you may qualify for representation by the public defender.

COMMISSARY:

Inmates requesting commissary must order by telephone prior to 9:00 p.m. on Wednesday. Commissary will be delivered on Friday. Funds for your commissary will be deducted from your commissary account and you will be required to initial the commissary ledger prior to receiving your items.

Any Commissary order or remaining property left unclaimed at the jail for 72 hours after an inmate is released, AWOL or transferred to a State Correctional Institute will be disposed of.

Commissary funds may be mailed to an inmate or dropped off at the lobby by making a deposit into Kiosk.
Abuse of commissary may result in the loss of the commissary privilege.

TO ORDER CANTEEN: Put your inmate # and pin in (if there are zeros in front of the number, you need to take those off if you want your canteen order to go through), press zero, then press *555 and then enter site number 135#.

CLASSIFICATION:

Objective Jail Classification

The Calumet County Jail will house their inmates using an Objective Jail Classification System. A classification team member will determine an Inmate's security classification by looking at information including the current crime, criminal history, and institutional behavior.

Inmates will be classified as Maximum, Medium or Minimum.

The Calumet County Jail intends to re-classify inmates approximately 30 days after being classified unless a situation warrants it earlier. The behavior of the Inmates will have the biggest impact in improving their classification level and gain the privileges that accompany a lower security classification.

Efforts will be made to house Inmates with the same security classification together within the same housing units. However, due to limited housing and fluctuating populations, it may be necessary to house inmates with different security classifications together.

CONTRABAND:

Contraband is defined as any item that is not issued to you, or is illegal to possess, while in the Calumet County Jail.

The Calumet County Jail is a tobacco free environment. Smoking or chewing tobacco is prohibited in all areas and sections of the facility.

Drugs and alcohol are not allowed in the Calumet County Jail. Warning: Anyone convicted of delivering controlled substances to an inmate in a jail is subject to double the penalty for ordinary delivery.
Random alcohol and drug screening are done on all inmates as well as strip searches, cell block/Huber dorm searches and unannounced linen checks to locate and prevent contraband.

COURT APPOINTMENTS:

Your initial court appearance time is set by the court. The correctional staff does not know the time of your appearance.

DISCIPLINE:

If an inmate violates any jail rules/regulations, the correctional officer on duty shall notify the inmate, then document it in the jail log and submit a conduct report (including any immediate action taken) to the jail sergeant or designee.

Determination as to the seriousness of the report will be made at that time. The report will be considered either major or minor:

MINOR:

A minor violation means a violation of jail rules where penalties may immediately be imposed by a correctional officer are:

1. Verbal or written reprimand;
2. Restriction of privileges for 24 hours or less;
3. Placement in punitive segregation for 24 hours or less;
4. Inmate may appeal a supervisor's decision.

MAJOR:

A major violation means a violation of jail rules where penalties which may be imposed are:

1. Restriction of privileges for more than 24 hours;
2. Placement in punitive segregation for more than 24 hours;
3. Loss of good time earned;
4. Forfeiture of Huber/Work Release Privileges for up to five (5) days;
5. Revocation of Huber Law Privileges;
6. Criminal prosecution.
7. If found guilty of a major violation your classification will change.
DUE PROCESS:

A. The inmate will receive a copy of the report which will include the specific rules(s) violated and the right to a disciplinary hearing at least 24 hours in advance of the hearing.

B. A due process hearing will be held unless the inmate waives his/her right to a hearing. A waiver only indicates your desire to immediately dispose of the report without a formal hearing.

C. A hearing officer designated by the Sheriff will conduct a hearing if a hearing is requested.

D. The inmate may produce witnesses and question his/her accuser. All witnesses will be approved by the Jail Sergeant/Hearing Officer.

E. A copy of the hearing officers findings will be given to the inmate and filed in his/her jail file.

F. An inmate may appeal the disciplinary action by submitting an ICF to the Sheriff within 24 hours. If no such form is received, the inmate will be found guilty and disposition given.

FEES AND EXPENSE REIMBURSEMENT:

The Calumet County Jail imposes user fees and will seek reimbursement for all costs incurred by Calumet County while you are confined to the jail. Fees are charged and reimbursement is sought pursuant to authority given to Calumet County under Wis. Stats. 302.382, 302.388, 302.372, 302.38(2) and 303.08(4).

Jail user fees are set by the Calumet County Board and are subject to change. Fees may include a Booking Fee and Room and Board Charges for both Huber/Work release inmates and sentenced secure (unemployed) inmates. Reimbursement will be sought for all other expenses incurred by the county including, medical treatment and medication costs, indigent supplies, and property damage repair.
Fees and other costs will be billed to your canteen account on a weekly basis. If you are employed, your account will be balanced weekly. If you are unemployed, you may make weekly payments or pay the balance due the county upon your release. Any unpaid balance will be subject to a civil forfeiture action by the Calumet County Corporation Counsel.

FINGERPRINTS AND BOOKING:

State law requires that all persons who are booked into the jail for criminal charges must be photographed and fingerprinted, primarily for identification purposes. The state further requires that a new set of fingerprints be taken for each new offense. Even if you might have been booked previously, you may again be fingerprinted and re-photographed if necessary.

HEALTH SERVICES:

If you have a non-emergency health problem that needs attention, it is your responsibility to ask for a "Medical Request" form from Correctional Staff. The form should be completed and given to Correctional Staff.

If you are experiencing a medical emergency inform the Correctional Staff immediately.

Over-the-counter medications can be ordered from Jail commissary. If you have funds, you are expected to purchase these items from Jail commissary.

When medication rounds are announced and you wish to receive medication you must line up with a full glass of water and be properly dressed. Failure to do so may be deemed reason for documentation of refusal to take your medication.

All medication must be taken immediately when received. Concealing medication is strictly prohibited. You are required to open your mouth and lift your tongue for inspection to ensure that all medications have been ingested. Any attempt to "stockpile" medication will result in disciplinary action and may result in further review of the necessity of the drugs taken.
All inmates will be responsible for co-payment of all medical services they initiate; i.e., nurse and doctor visits. Inmates will also be responsible for payment of medications and other related services. Payments will be deducted from inmate money accounts.

Huber/Work Release Inmates (that are employed) must complete a Medical Request (sick call) Form and will be permitted to seek their own medical care as needed with the proper authorization and verification from the correctional staff.

LIBRARY:

A variety of paperback books are available. A maximum of three (3) each per inmate are allowed and may be replaced by exchange only. Library cart service will be offered on Tuesday evening. Huber/Work release inmates who are working may request the cart when they return from work. Inmates will be responsible for lost or damaged books. A ten dollar ($10.00) charge will be assessed to your commissary funds for each lost or damaged book. If you checkout a State Statute book, you are only allowed to have it for one week.

Only soft covered books (no magazines) will be accepted if mailed directly from the publisher. No pornography. Items deemed inappropriate will be held in safekeeping and returned to you upon release.

The jail does not provide newspapers. Inmates may subscribe to an acceptable newspaper. The newspaper will be accepted if it is mailed directly from the publisher.
