REPORTER — (920) 683-4043

State of Wisconsin v. Steven A. Avery

Case No. 05 CF 381

Re: Jury Question No. 1

Dear Jury Members:

This is in response to your request for a transcript of Bobby Dassey's testimony.

As the court has instructed you:

"You will not have a copy of the written transcript of the trial testimony available for use during your deliberations. You may ask to have specific portions of the testimony read to you. You must continue to rely primarily on your memory of the evidence and testimony introduced during the trial."

The court does not have and cannot provide you with a transcript of Bobby Dassey's entire testimony. If you can identify a specific portion of his testimony, the court will attempt to address your request.

Please do not disclose the state of your deliberations in any such request.
