Re: Steven Avery

In reviewing phone conversations, it appears that Steven Avery is becoming more anxious and desperate with not having been released on bail. Additional charges may be filed in the next several weeks which could add to his stress level.

I am suggesting that Jail Personnel and Transport Officers be even more cautious in dealing with Mr. Avery in the future. If suicide information is obtained, this will be relayed to all Personnel.

If you have any questions, please feel free to contact me at any time.
