letters, phone calls, and recently a cassette tape recorded by her husband Steve Avery who is currently serving time in state prison. In the letters and on the tape, Steve Avery indicates that he is angry with Lori, apparently because there is some indication that she wishes to obtain a divorce, and secondly he rambles on about how upset he is over his wife, Lori Avery, having sexual intercourse with Steve Avery's [redacted] who was age 15 at the time of the sexual contact. On the tape, which is very lengthy, Steve Avery rambles on over and over repeating himself about how he is going to take the kids away from Lori when he gets out of prison, and he has made threats to do bodily harm to both Lori and her mother. Copies of City Police reports as well as letters that were sent to Lori Avery are attached to this complaint, and the tape on this matter has been placed in evidence. T. Kocourek, Sheriff *sk* (kl)

Ms. Avery called this department and spoke to me in regards to a phone call she received during the day today. She stated at approximately 1200 hours this date, she received a phone call from a party who did not give his name but identified himself as a member of the Manitowoc Police Department. The party stated that he had been made aware of the fact that Lori had received a cassette tape with a message from her husband, Steven, who is presently in the Green Bay Reformatory. The party on the phone stated he would come out to her house on 2/12/88 and listen to the tape and see if there is enough to present to the D.A. for charges against Steven. Lori stated that she did receive a cassette tape with her husband's voice on the tape yesterday, 2/10/88, and the message from her husband is threatening and on the tape he mention that he is going to prove that she is an unfit mother and get the kids taken away from her. He stated that he was going to prove that she had sex with Steven's brother and he is going to burn her car when he gets out. Lori stated that after receiving the tape yesterday, she only listened to a portion of it and then stopped and the only people that know she has the tape are her mother, her attorney Jerry Fox, and her boyfriend. All three people have been contact by her and none of them stated they have told the police. She is curious and suspicious because she does not know who would have told the police she has received this tape. After contacting her attorney, Mr. Fox, he advised her to contact our department and ask if we indeed did call her residence in order to listen to the tape. I checked around our department and could not find any report at our department, and there is no such complaint listed on the computer. I informed Lori that I would check into it further on 2/12/88, and until then she should not let anybody into her house unless she is sure he is a policeman and if there is anybody coming to

her house suspiciously, she should contact our department immediately. Lori stated that the tape is of Steven's voice but the letter it was sent in is postmarked coming from Manitowoc. She is holding onto both these items in case something further would develop. Also it should be noted that in June of 1987, she received a threatening letter from an unknown subject and that was reported to our department. For that information see Report #M87-63217.

Det. T. Bergner *TB*

2-16-88 -In regards to the phone call Mrs. Avery had received, it was from Capt. Hartman who had received this information and had not had an opportunity to make out a report in regards to the information. I recontacted Mrs. Avery and she turned over to me the tape that she received that is in a regular 3 x 5 envelope and is postmarked Maniitowoc, WI. There is no return address on the envelope. I also retrieved from Mrs. Avery, letters that she has received during the last two months of 1987. They are letters received from Steven and they talk of her being dead and how he is going to kill her and he is going to get her convicted on welfare fraud for things she has done. I have the letters attached to this report now and I also made a copy of that cassette tape from Steven and she requested that the original be brought back to her. The tape does have threatening remarks towards Mrs. Avery and he would go from threatening her to appealing to her senses to come and see him and bring the kids up to see him, and then again he would go back to threatening her and what he is going to do to her when he gets out and what he is going to do to her judicially. He keeps referring to numerous pieces of evidence he has that's going to get her into trouble for welfare fraud but it will also get him into trouble for welfare fraud but he doesn't care as long as she goes down the trail of the judicial process and is punished for it. I will compile the information that we have received and make copies of it and send it on to the Green Bay C.I. to see if they can attempt to bring this threatening communication from Steven towards Mrs. Avery to a halt.
